Please pray for Happy Vocations

The Traveling Monstrance Program was created to foster adoration of the Blessed Sacrament and Adoration for Vocations. The monstrance for the Program was blessed by Pope John Paul II on Easter, March 27, 2005. This was the very last monstrance blessed by the Holy Father for the purpose of Adoration for Vocations, before he passed away.

Ambassadors for Adoration of the Rosary Evangelization Apostolate serves as the custodian and coordinator for the Program under the guidance of Archbishop Timothy M. Dolan of Milwaukee.
