

XAVIER † HOUSE

CATHOLIC MEN'S DISCERNMENT

Commitment to Community Living

As a resident of Xavier Catholic Men's Discernment House, I commit myself to:

- engaging in personal prayer and faith development opportunities;
- participating in community prayer and fellowship in both formal and informal ways whenever possible;
- participating regularly in the Sacraments of Eucharist and Penance;
- fostering of relationships of Christian brotherhood with other residents;
- providing hospitality to guests of the House;
- receiving regular spiritual direction;
- being a witness of Catholic faith through my daily living;
- being familiar with and abiding by the contents of "*Our Promise to Protect. . .*" *Policies on Appropriate Conduct* of the Diocese of Green Bay;
- following civil laws;
- fulfilling my responsibilities to work and/or school;
- maintaining responsibility for my share of household cleaning and other tasks, including keeping common areas clean;
- maintaining responsibility for purchasing my share of food and other needed household supplies;
- offering \$_____ per month for costs related to rent and utilities (after discussion with the Director of the House);
- participating in a quarterly review with the Director of the House regarding my participation in community life and continued residence;

I understand that lack of dedication to the above commitments may result in my being asked to leave Xavier House. I also understand that Xavier House is a House of Discernment, and that if I am no longer open to diocesan priesthood I will inform the Director of the House.

I understand that, for good cause, I may be asked to leave the Xavier House by the Director of the House, and I will do so within the requested timeframe.
